First Announcement

Dear Colleagues!

The International School-Conference "Remote Radio Sounding of the Ionosphere (ION-2013)" will be held in Maly Mayak (Big Alushta) (Crimea, Ukraine) on September, 30 - October 4, 2013 at the sport and health center "Studencheskiy" of National Technical University "Kharkiv Polytechnic Institute".

Scientific topics of the conference are:

1. Physics and modeling of ionospheric processes;
2. Ionospheric Informatics;
3. Signal Processing;
4. Radio Engineering tools and techniques.

At the school-conference will be presented review reports (up to 1.5 hours) of leading scientists, thematic reports (up to 20 minutes) of young scientists and specialists, poster presentations of postgraduate and students. The working languages are English, Russian and Ukrainian.

Application for participation in the school-conference must be sent to e-mail ion2013conf@gmail.com no later than **April 1, 2013**. The application should contain the preliminary title of report, the author's (co-authors') names, and the type of report (review, thematic or poster).

More detailed information about the school-conference will be presented in the following announcements and the conference website:

<http://www.iion.org.ua/ion2013conf.htm>.

Contact phone number of the Program Committee is +38 057 707 65 27.
